Hi Pete,

I have made arrangements with Lester McDowell (PM Manufacturing) to inspect the cookhouse at Craftsmen on Monday.

My flight arrives in St. Louis at 8:10 AM (TWA #777). I'm going to rent a car from Avis, pick up Lester at the airport Marriott, and head over to Craftsmen.

Where are you staying? What are your plans? Do you want to ride over with us?

Thanks,
Kathy
